About This Game

Akira is an agent for a secretive organisation who protects the world from threats simply known as incursions. Strange creatures from another dimension are invading his world, wreaking havoc wherever they go. With his assistant and a freshly assigned rookie to back him up, can Akira overcome a threat which may end civilisation itself?

It was a very funny game since Kimiko did not reveal her feelings if Masumi first did not appear. I would have liked to show this team a bit how to have fun.
